

Annexe 105 – English

Carlos: Dear Mom. Maria thinks you're afraid of me.

Mom: Oh yes.

Carlos: Oh yes.

Mom: But it's terrible indeed.

Carlos: Are you terribly afraid of me?

Mom: Phew... Why?

Carlos: I don't know. That's what she tells me. She tells me that Mom is afraid of you.

Mom: Maybe she's exaggerating a little. I'm not afraid of you.

Carlos: And you know what?

Mom: No.

Carlos: I'm not afraid of you either.

Mom: Ahhhhh...

Carlos: Then everything is wonderful. It's magnificent. I can show everyone that you're not afraid of me. That's very important.

Mom: No, I'm not afraid of you.

Carlos: I'm not even afraid of Potato (the nice dog) either. Mom: Oh, well, come on. Show yourself (addressing the dog).

Carlos: No, she doesn't want to overwork herself. Did you know we changed to daylight saving time today?

Mom: Yes, that's true. So what time is it?

Carlos: I don't know. I have no idea.
