Carlos: You once wrote a letter to me accusing me of hitting Giles.

Mom: Yes, you hit your brother once.

Carlos: And how do you know I hit my brother?

Mom: I wrote a letter saying you hit your brother?

Carlos: Yes.

Mom: How is that possible?

Carlos: I have a letter. I have proof, I can show it to you.

Mom: Yes, show it to me.

Carlos: I have it on my computer. I can bring all the papers.

Mom: Yes, I know you hit Giles, sorry (she laughs).

Carlos: How do you know that?
