

Annexe 83 - English

Maria: Mom, will you call the police, please. I told you not to let him in this house.

Mom: My God. Listen, you're not going to call the police.

Maria: You're going to get him out of here, Mom.

Mom: Listen, children. Listen.

Carlos: Maria, I came to talk to you.

Maria: And I don't want to talk to you and I have nothing to say to you, and now you're getting out of this house.

Carlos: You have a lot to tell me.

Maria: Get out of this house.

Carlos: Why isn't this your house? Or is house in your name? Go call the police.

Mom: Don't do this, Maria. Don't bring them in.

Carlos: She's done this to us before. You know, Mom, she already called the police once to try to kick me out. She can do it again, it's no problem.
