Carlos: He lied. I'll tell you why he lied. Do you know, Mom, that you hired a lawyer against me?

Mom: Not true.

Carlos: Yes, ma'am, you signed papers giving full power of attorney to a lawyer.

Mom: I'm starting to think, I'm hallucinating, a lawyer against you?

Carlos: Yes, you requested restraining orders.

Mom: Listen, honestly, if that's it, but I really, honestly don't remember.

Carlos: It was Lola, Pedro, Maria, and you who requested restraining orders because you said I was violent.

Mom: Holy cow, I swear.

Carlos: But you signed, Mom. You signed.

Mom: What could have happened?

Carlos: Maria and Pedro want me to stay away from you. It's for financial reasons, unfortunately.
