Carlos: So who has the keys?

Mom: I think Maria must have the keys.

Carlos: Maria has the keys, but she's in Geneva right now.

Mom: Well. Did you ring the doorbell earlier?

Carlos: Exactly. So, do you think Vicki the Colombian has the keys?

Mom: Oh, yes, she does.

Carlos: But you don't have them, then.

Mom: I only have the keys to this door.

Carlos: Only to this door here at the house.

Mom: As far as I know.

Carlos: If you want to go out into the street, how are you going to do it?

Mom: I'm screwed.

Carlos: You're screwed. So you can't go out.
