

Annexe 96 – English

Carlos: You have to understand that she forced you to sign a document saying you didn't want to see me.

Mom: That's what I can't imagine.

Carlos: But she did it, Mom.

Mom: But how could I have done that?

Carlos: Yes, I have all the proof. I have everything.

Mom: You have to show it to me. I'm... Me signing a document saying I didn't want to see you!

Carlos: Yes

Mom: That's not possible.

Carlos: The court didn't allow me to come within 300 meters of you. I wasn't allowed to call you, write to you, send you an email; I couldn't do anything.

Mom: But it's incredible.
