Mom: Holy cow.

Carlos: How do you think you paid for all the work around here?

Mom: I don't know.

Carlos: You don't know what money you used to paid for it?

Mom: I think I figured it was mine. But I don't know.

Carlos: With yours. Do you manage your bank accounts?

Mom: I don't know, darling.

Carlos: You don't know. Do you know how much money you have?

Mom: I don't think I have any.
