

Di. Fernandez will be O.K. but the healing process seems to be taking a long time. I just hope ~~that~~ I will have reached the end of the "hip replacement" road! The weekend following 9th June and only if it doesn't get in the way of your work, maybe we could visit your country residence and spend a day on the roof counting up your "roof tiles". Then I could come back and report to Mum. Time permitting, I could call on Suter (Bangor Corp) and Bernardoni (Migros) and ^{then} clear some of my debts with you. I will bring back the Roald Dahl Book and also "Darwin & The Barnacle" which I am sure you will enjoy. I believe that the "Serrat Worm" was arrested in Germany. How did you fare? It's still raining here - Everything is very green. Love Dad.
